<sup>1</sup> Notice Initiating Docket(s) for Recent Postal Service Negotiated Service Agreement Filings, September 29, 2020. (Notice).

<sup>2</sup> USPS Request to Add Priority Mail Express & Priority Mail Contract 119 to the Competitive Product List and Notice of Filing Materials Under Seal, September 28, 2020 (Request).

The Postal Service states that Priority Mail Express & Priority Mail Contract 119 is a competitive product “not of general applicability” within the meaning of 39 U.S.C. § 3632(b)(3). Request at 1. The Postal Service also maintains that the prices and proposed classification for Contract 119 are authorized by Governors’ Decision No. 19-1.<sup>3</sup> The Postal Service further asserts that the Statement provides support for adding Contract 119 to the competitive product list and the compliance of the Contract 119 with 39 U.S.C. § 3633(a). Request at 2; *Id.*, Attachment D.

The effective date of Contract 119 is two (2) business day following the day on which the Commission issues all necessary regulatory approvals. *Id.*, Attachment B at 4. ## COMMENTS

The Public Representative has reviewed the Postal Service’s Request, Priority Mail Express & Priority Mail Contract 119, the Statement of Supporting Justification, and financial model filed under seal with the Request. Based upon that review, the Public Representative concludes that Contract 119 should be classified as a competitive product and added to the competitive product list. In addition, Contract 119 is projected to generate sufficient revenues to cover costs in its first year and thereby satisfy 39 U.S.C. § 3633(a).

*Product List Assignment.* Pursuant to 39 U.S.C. § 3642, the Postal Service requests that Contract 119 be added to the competitive product list. 39 U.S.C. § 3642 requires the Commission to consider whether “the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products.” 39 U.S.C.

<sup>3</sup> Decision of the Governors of the United States Postal Service on Establishment of Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, February 7, 2019 (Governors’ Decision No. 19-1).

§ 3642(b)(1). Products over which the Postal Service exercises such powers are categorized as market dominant while all others are categorized as competitive.

The Postal Service Statement makes a number of assertions that address the considerations of section 3642(b)(1). Request, Attachment D, at 2. Based upon these assertions, the Public Representative concludes that the Postal Service's Request to add Priority Mail Express & Priority Mail Contract 119 to the competitive product is appropriate.

*Requirements of 39 U.S.C. § 3633.* Pursuant to 39 U.S.C. § 3633(a), competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial model, it appears the Postal Service's negotiated prices for Contract 119 should generate sufficient revenues to cover costs during its first year and therefore satisfy the requirements of 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
